BWE PTA Program Notice

Cool Chemistry

Thursday, December 6

5:00 – 6:00 PM Science Fair Open House in Library

6:00 PM Cool Chemistry Program in Cafeteria

Check out the Science Fair Open House from 5-6 pm in the library.

The Museum of Natural Science presents Cool Chemistry. Discover all the fascinating ways we use chemistry in our daily lives. Have a blast (literally!) witnessing demonstrations of combustion, color changes, and polymers, and watching the incredible effects of liquid nitrogen!
