

Brookwood Elementary PTA Special Purchases 2019-2020

After this year's PTA carnival on **February 22nd**, the PTA may have the opportunity to use funds raised to purchase items to benefit our students and school.

Here are just a few of the items that PTA has been able to provide to the school in the past:

- Dry erase whiteboards
- Playground equipment including new nets for the soccer goals
- Assistance to Operation Playground for the new play structure
- Teaching technology – smart boards and projectors
- Library books
- Classroom supplies
- Electronic marquee, shade structures, and outdoor seating & pavilion

We need your help in developing our Wish List!

All suggestions will be considered and researched. These, along with teacher and staff requests, are considered by the PTA Executive Board. A recommendation from the Executive Board will be presented to the PTA General Association members for approval. All campus improvements and high-dollar donations must also meet CCISD guidelines for approval.
